DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

February 18, 1944.

Board of Selectmen,
Fitzwilliam, New Hampshire.

Gentlemen:

Submitted herewith is the report of an audit and examination of the accounts of the Town of Fitzwilliam which has been made by this Division in accordance with the vote taken at the last annual town meeting. Schedules as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the audit and examination were the accounts of the selectmen, treasurer, tax collector, town clerk, road agent, trustees of trust funds, Depot Park commission, treasurer of the Elliot Institute, library treasurer and Village District, for the fiscal year ended January 31, 1944.

Finance:

Comparative statements showing the Indebtedness, Valuation and Taxes Assessed during the ten year period ending January 31, 1944, are presented in Schedules A and B. It is noted that during the entire period the town has closed each year with a Net Surplus.

Comparative Balance Sheets for the years ended January 31, 1943 and January 31, 1944, presented in Schedule D, indicate an increase in Net Surplus during the last year of $266.61.

Revenues, Appropriations and Expenditures, 1943:

(Schedules C and C-1)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal

year ended January 31, 1944, are included in Schedules C and C-1. A net excess of revenue of $725.22, and a net unexpended balance of appropriations of $2,664.63, resulted in a net budget surplus for the year of $3,389.85.

Audit Procedure:

The accounts and records of all town officials who are charged with the custody of and who receive or disburse public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from the depositary banks.

Tax Accounts:

The tax warrant for 1943, of Collector Lolie R. Pierce, was audited and balanced as indicated by Schedule F. Activity in the warrant accounts of the levies of 1940, 1941 and 1942, was also checked as noted in Schedule F-1.

Tax sale accounts were examined and the activity therein for the fiscal year is denoted in Schedule F-2.

The collection of taxes in the Town of Fitzwilliam is commendable.

Town Clerk:

Motor vehicle permits and dog licenses issued by the town clerk during the year were examined. All funds received from these sources were properly accounted for either through remittances to the treasurer or funds on hand.

GENERAL COMMENTS

It is noted that an appropriation for "town charges", which in 1943 amounted to $7,000, is made each year. This appropriation, as indicated by Schedule C, covered the following items:

1—Town Officers' Salaries
2—Town Officers' Expenses

3—Election and Registration
4—Insurance
5—Town Hall
6—Police Department
7—Fire Department
8—Old Age Assistance
9—Town Poor
10—Town Dump
11—Damages and Legal Expense
12—Interest

It is recommended that in the preparation of the town budget and voting of appropriations at the annual meeting, a specific appropriation be made for each item as indicated above rather than the present method of making a single appropriation for "town charges" to cover a dozen separate items.

It is also recommended that fiscal officers of the town make monthly remittances to the treasurer of all funds received to date of remittance as required by law, and that all funds be remitted to the treasurer before the close of the fiscal year.

With exceptions, as noted herein, the financial accounts and records of all town officials which were examined were found in good condition and in accordance with prescribed methods.

In accordance with the provisions of Section 31, Chapter 211, of the Laws of 1939, this report or a summary of its essential features should be published in the next annual town report.

We extend our thanks to the officials of the town for the assistance rendered and information furnished while engaged in making this audit.

Yours very truly,
HAROLD G. FOWLER,
Director,
Division of Municipal Accounting,
State Tax Commission.

LAWTON B. CHANDLER,
FRANK W. MORRILL,
Auditors.

CERTIFICATE OF AUDIT

This is to certify that we have audited the accounts and records of the Town of Fitzwilliam for the fiscal year ended January 31, 1944, and have found them correctly cast and properly vouched. The accompanying schedules reflect, in our opinion, a correct summary of the financial activity for the period under review.

Respectfully submitted,
HAROLD G. FOWLER,
Director,
Division of Municipal Accounting,
State Tax Commission.

LAWTON B. CHANDLER,
FRANK W. MORRILL,
Auditors.

LIBRARIAN'S REPORT

Reading has been greatly affected by the war. Our library in wartime has had increasing demands for books. As more and more of our boys are sent over seas, more and more parents, relatives and friends read about the places where they believe those boys may be located. The school boys are eager to read books on aviation and the navy. The girls are avid for career novels, always demanding more books about nurses, doctors' assistants, the Wacs and Waves.

There is also a large demand for "escape reading." A large variety of books are needed for this purpose. Mystery stories head the list, with historical novels running a close second. Some want books of just sweet pleasant humor. And isn't it wonderful to find something to laugh about these grim days? There is also quite a demand for books dealing with the enemies within our gates. As every family in town helps to support the library we endeavor to purchase all requested books. If you want a particular book please let me know.

On account of the gas shortage I was unable to attend the 54th annual meeting of the N. H. L. A., held in Manchester.

Mr. Arthur Plante, for the sixth year, has very kindly helped in the distribution of books for the people at the Depot and Laurel Lake. We extend a hearty vote of thanks.

The 1944 Victory Book Campaign is on. One book is such a small contribution, yet we know from letters of appreciation received from the service men how much these books are enjoyed. Will each of you please share your books with the men who are fighting for you? We thank you for your cooperation.

MAYE B. SAUNDERS,
Librarian.

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

July 22, 1943.

The School Board,
Fitzwilliam School District,
Fitzwilliam, New Hampshire.

Members of the School Board:

In accordance with your request, an audit and examination of the accounts and records of the Fitzwilliam School District for the fiscal year ended June 30, 1943, has been made by this division. Exhibits as hereafter listed are included as part of this report:

A —Compartive Balance Sheets
B —Summary of Receipts and Disbursements
B-1—Proof of Treasurer's Balance
C —Comparative Statement of Appropriations and Expenditures
D —Comparative Statement of Estimated and Actual Revenues
E —Reconciliation of Change in Financial Condition

An improvement in the financial condition of the School District amounting to $655.81, was made during the year, changing from a Net Debt of $495.52 on June 30, 1942, to a Net Surplus of $160.29 on June 30, 1943. The reasons for this change are indicated in Exhibit E, entitled "Reconciliation of Change in Financial Condition."

A Net Unexpended Balance of Appripriation of $498.15, and a Net Excess of Actual Over Estimated Revenues of $7.66, resulted in a Net Budget Surplus of $505.81. (Exhibits C and D).

The treasurer's cancelled checks were compared with the vouchers issued by the School Board and found to be

in agreement therewith. Receipts were checked by their source insofar as possible and traced to the depository bank. Totals of receipts and expenditures were verified. The Treasurer's cash book balance as of June 30, 1943, was in agreement with the funds on hand and in bank. (Exhibits B and B-1).

No discrepancies or irregularities were found to exist.

Yours very truly,
HAROLD G. FOWLER,
Director,
Division of Municipal Accounting,
State Tax Commission.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Fitzwilliam:

I herein submit my first annual report as superintendent of schools.

The present crisis in world affairs has created an emergency in the education of American youth that requires immediate attention and action. Large numbers of pupils and teachers are now leaving school to go to work. The motives which impel youth to leave school for work are understandable. The alarming response to these motives of high wages and the desire to do something definite to help win the war has been made without giving ample thought to other considerations which are of far greater importance to the national welfare. All adults concerned in these matters—particularly employers, school officials, and parents—should see that youths clearly understand certain basic conclusions before making the decision to leave school.

The greatest service which the older boys and girls can render to the war effort is to get ready for the national service which most of them will be called upon to give at the age of eighteen—in the armed forces, in war production, in civilian war agencies, or in specialized training. The high officials of the Army and Navy, of government and industry, have urged youth to use the years up to eighteen to build the foundations of a broad education. This duty of securing an education will pay high dividends in the highly competitive labor market of the world in post-war years. The national welfare and the welfare of youth require that education have first claim on the time and energies of youth.

"Twenty-seven million citizens of the decade beginning 1950 are being prepared in our public schools now for the world that is being shaped with so much 'toil and blood

and tears'. How futile our every war effort if these citizens are not fitted for their places!"

This great challenge to our educational system must be met in spite of the innumerable demands on limited time, energy, and materials resulting from the war emergency.

We wish to continue the improvement of the standards in our schools and we must realize that it can be done only through sacrifice and earnest cooperation between teachers, parents and pupils. Resaerch authorities in the field of juvenile delinquency recommend a review of the particular responsibilities of parents for children outside of school time. From this cooperation there will be a clearer understanding among all concerned.

REPORT OF THE MUSIC SUPERVISOR FOR FITZWILLIAM

The school music program is carried on with the aim of advancement in vocal quality, song repertoire, rhythmic activity and recognition, tone and tune recognition, feeling for mood, appreciation of vocal and instrumental music, study of history and composers, reading ability, and theoretical knowledge,—all of which is attained through the medium of ear training, written work rhythmic activity and singing.

The pupils of the four schools presented the entire program for the Memorial Day Exercises.

Much has been done to promote patriotic fervor among students. Last spring much work was done in grades I through IX in a Defense or Victory Song writing project, ending with an exhibit and rendition of all good songs collected from all schools where your Supervisor has charge of the music. The result was over sixty songs, many of them illustrated or decorated, in the collection.

I close with an expression of gratitude to all school officials and teachers for their interest and cooperation.

Respectfully submitted,
MILDRED WHITCOMB.
